

Chatty Bee

INTRODUCTORY BEEKEEPING WORKSHOP

Where: Chatty Honey House
Hwy 10, south edge of the village of Chatsworth

When: Saturday, May 4, 2019, 9:30 - 4pm

Cost: \$120 + HST includes coffee, snacks and lunch

For new or aspiring beekeepers and those who have had a season with their bees and would like a refresher. Bring your own bee suit and bee gloves or order and purchase a bee jacket and gloves that will be ready for you that day. We also have a limited supply of bee suits and bee gloves to lend.

The workshop will focus on the basics necessary to get through your first season of beekeeping:

-  **BASIC BEE BIOLOGY**
-  **HIVE EQUIPMENT**
-  **WORKING THE BEE COLONY**
-  **SO YOU'VE JUST BOUGHT A NUC. NOW WHAT?**
-  **HARVESTING AND EXTRACTING HONEY**
-  **AN OVERVIEW OF HONEY BEE PEST & DISEASES**

- The Ontario Beekeeping Manual and IPM Manual will be available for purchase. All proceeds will go to the good work of the OBA's Tech Transfer Program.
- If you have ordered hive equipment from us it will be available for pick-up
